# OUR MISSION

At Chapters Entertainment, we are dedicated to delivering high-quality entertainment for theatres, events, cruises and venues across the UK and beyond.

Our goal is to create captivating and unforgettable experiences. We specialise in developing innovative concepts from the ground up as well as, elevating existing IPs and brands with world-class entertainment.

We are passionate about bringing a cinematic and theatrical uplift to your space or event.

# WHO ARE WE?

**Louis Rayneau** — Producer, Director,  
Creative Visionary

Louis has created acclaimed productions on stage and screen, combining a passion for storytelling with a sharp eye for detail and audience experience.

Also the owner of a successful West End talent agency, *Innovation Artists*, providing a strong and committed base of performers for Chapters.

**Ross Harmon** — Musical Supervisor,  
Arranger, Performer

A musician and West End performer (shows such as *Wicked* and *Heathers*).

Ross produces every Chapters track from scratch, crafting the unique sound that defines the brand.

# DISCOVER OUR CHAPTERS

Every show is a new Chapter...

We are passionate about making your moment entirely bespoke but here are some of our signature Chapters:

The Monster Chapter	Glam rock and punk-pop collide in this high-energy celebration of your favourite monsters.
The Fairytale Chapter	A sparkling pop celebration of love, hope, and happily-ever-afters.
The Classical Chapter	A cinematic journey through sacred arias and showstoppers from the stage and beyond.
The Country Chapter	A foot-stomping salute to strong women and the best of Nashville.
The Icons Chapter	Pop's biggest icons, reimagined with Chapters' signature arrangements.

We have many more concepts in development and have a selection of seasonal concepts AVAILABLE too...
